**JUNIORS: PARENTAL CONSENT SECTION** (please print names clearly)

**1. Mandatory drug testing.** As your son/daughter has requested an entry to a Record Status Archery Tournament, we should point out that under GNAS Rules they may be requested to provide a sample for drug testing purposing by a "Doping Control Official" appointed by GNAS. Failure to comply must, under current rules, be treated as a positive result. **Please note that it is mandatory to complete this section of the declaration, which is a condition of entry.**

I agree that my son/daughter will provide a sample for drug testing if required by a Doping Control Officer.

**2. Photography and publicity.** The form also allows you to indicate that you will allow publication of photographs of your son/daughter with identifying details, to avoid the need to consult you further. This is NOT a condition of entry and if you make no declaration on the form, or declare that you do not give permission, any such publication will require your prior consent.

I have read and understood the conditions on the covering page of the entry form relating to photography and publicity. **I do/do not** (*delete as applicable*) give permission for publication of names or other identifying details with published photographs of the above junior.
